📌 **Job Title:** Technical / Non-Technical Intern (Based on Skill)
📍 **Location:** Surya complex, 303, 21, Veer Savarkar Block, Shakarpur, New Delhi, Delhi 110092
💼 **Department:** Academics

🔎 **About the Role:**

We are looking for a passionate and talented **BCA graduate** with strong academic performance (minimum **70% CGPA**) and excellent subject knowledge. This role offers a clear growth path starting from a **paid internship** to potential full-time employment.

✅ **Eligibility Criteria:**

- Bachelor's degree in Computer Applications (BCA)
- Minimum 70% CGPA or equivalent in academics
- Strong understanding of academic concepts
- Eagerness to learn digital tools like **Articulate** and **Vyond**
- Good English communication and comprehension skills

🧪 **Internship Details (First 3 Months):**

- **Stipend:** ₹10,000 per month (paid)
- **Duration:** 3 months
- Interns will receive a **Certificate of Completion** after successful internship
- Performance-based opportunity to join full-time after internship

---

📄 **Full-Time Offer (Post Internship):**

- **CTC:** ₹18,000 per month during 6-month **Probation Period**

💡 **Key Responsibilities (Post-Training):**

You will contribute to the following services:

- 🎥 Digital Video Creating & Editing Through AI
- 🎨 Development of Animated Digital Content
- 🧩 Articulate Storyline 360-Based Interactive Content
- 📊 Articulate Storyline 360-Based Assessments

- 🌐 Translation Services
- ✏️ Instructional Designing
- 🖼️ Graphic Designing
- 🗂️ Storyboarding for Skill Development Courses

🔧 **Skills Required:**

- Interest in e-learning and content creation
- Willingness to learn AI tools, video editing, and digital storytelling
- Basic design or content development knowledge (bonus)
- Teamwork, attention to detail, and time management

🚀 **Why Join Us?**

- Structured learning path from intern to associate
- Exposure to real-world e-learning projects
- Mentorship from industry experts
- Friendly and growth-oriented work environment
